On March 31st, 2019, I'll be taking part in **The Peer Project's 7th Annual Spin-A-Thon**, and I'm inspired by the success of their proven Youth Peer Mentoring Program. 98% of the thousands of kids they've worked with have stayed in school and on the path to success!

The Peer Project is dedicated to investing in the leaders of tomorrow and transforming the lives of at-risk and newcomer youth today - through the power of peer mentorship. For over 43 years they've matched volunteer youth mentors with high risk youth to engage in activities that develop mind, body, character and leadership. They connect volunteers to enriched mentorship experiences that impact the most vulnerable youth across the City of Toronto and York Region.

There are 400+ at-risk youth waiting to be matched with a mentor ... the only thing standing in their way is funding. Will you help me reach my fundraising goal to help at-risk youth succeed and make it to the top?

I encourage you to make a secure donation online at my personal fundraising webpage:
